All photographic images, either digital or print, are copyright protected property of © 2021 Henry Schultz Photography.

Our agreements include a clause stating that you, the client, will not alter any of HSP digital images in any way; including but not limited to: cropping, cropping out watermark, removing watermark, or using filters or any other effects of any kind.

You will receive a full rights to print document stating such to take to your printing lab if you are printing your photos yourself.

HSP DOES NOT GUARANTEE THE QUALITY OF YOUR PRINTS IF YOU PRINT THEM YOURSELF.

Henry Schultz Photography reserves all rights to use any digital or print image for advertising or photography publishing, either on-line or in print, without your consent or reimbursement to you for such under the United States and International Copyright Law. We do not sell your images or photos to 3rd parties.

We accept cash, checks, or Visa, Master Card, American Express, and Discover credit cards. If paying by credit card look for "SQ HSP" on your statement. There will be a $35 non-sufficient funds fee for all returned checks. This is in addition to any fee your bank may charge you.

For multi family group photo shoots or event photo shoots, the "client" is the person who initiated the photo shoot and is considered the responsible party that is agreeing to, and giving permission for, all participants.

Client, and Legal Guardian if necessary, understands and agrees that Photographer may have cords, light stands, and other gear at the location. Client will hold Photographer harmless for any damage, personal injury, or loss caused by tripping over or otherwise being injured from this equipment. Client, and Legal Guardian if necessary, further agrees to hold Photographer harmless for any personal injury which may occur as the Client poses or works with Photographer. Client, and Legal Guardian if necessary, understands and agrees that Client, or their Legal Guardian, is responsible for determining if a pose or location is safe and has the right to refuse the pose or location if they feel uncomfortable or unsafe in anyway. By posing in any way, with or without a photography prop, Client and/or their Legal Guardian are acknowledging that they are in agreement with the pose and will not hold HSP liable in any way if Client is injured while posing.

Client, or their Legal Guardian, agrees and understands that the quality of a photograph or likeness of the Client is entirely subjective. Photographer will strive to present photos in a workmanlike manner but is not required to cater to specific aesthetic preferences of the Client or their Legal Guardian.
